

Thank you for your interest in working with Midwife Pilgrim, Inc. Midwife Pilgrim is a 501(c)3 nonprofit organization that responds to global communities in crisis and disaster situations with skilled, compassionate midwifery care. We partner with organizations and communities to help them identify and connect with support, resources, and education.

We prepare midwives from all backgrounds, including Certified Nurse-Midwives (CNM), Certified Professional Midwives (CPM), and Registered Midwives (RM), helping develop their skills to serve women and families in low-resource and disaster areas.
